

Guideline for Abstract Submission

A title (in capital letters) that clearly indicates the nature of the investigation needs to be provided.

The authors' names (full first names, family names) and places of work (institution, city, country) must be shown.

The length of the abstract should not exceed 300 words (including title, author details and references). It should be structured as follows:

- Background
- Methods/Clinical history
- Results/gross pathology, histology
- Conclusion
- References may be added

Please note:

Abbreviations should be avoided in the title, but may be used in the text if they are defined at first usage.

Abstracts should be submitted by email to the following address: office@pathology.at
